Global Centre for Maritime Decarbonisation (GCMD)

Funding Cooperation Leadership Training Technology Mixed Funding

Republic Of Singapore Global

Project Details

TYPE OF PROJECT	LEAD PARTNER
Research And Development	Sembcorp Marine, BW Group, DNV Foundation, Eastern Pacific Shipping, Ocean Network Express, BHP
OTHER COMPANIES/ STAKEHOLDERS	TIMELINE OF PROJECT
	With effect from 1 August 2021

DESCRIPTION AND KEY DELIVERABLES MPA has announced that it will join hands with 6 strategic partners to establish a \$120million Global Centre for Maritime Decarbonisation (GCMD) in Singapore from 1 August 2021. GCMD aims to collaborate with the industry to help the maritime sector to reduce Greenhouse Gas (GHG) emissions, implement identified decarbonisation pathways and create new business opportunities. The set-up of a decarbonisation centre was first announced
